GRANVILLE SOUTH CREATIVE AND PERFORMING ARTS HIGH SCHOOL

SCHOOL NEWSLETTER ISSUE 1 2015
Reminders:

- Year 6 Open Day will be on Wednesday 11th March
- School Photos will be on Monday 16th March 2015.
- Year 12 examinations will be in Week 9 and 10 (23rd March - 2nd April)
- The first P and C Meeting of the term will be on Wednesday 18th March at 5:30pm
- Harmony Day celebrations will be on Thursday 19th March
- Last Day of Term 1 is Thursday 2nd December

Student Achievements:

- Congratulations to our Year 12 leavers of 2014. The following students were offered university placements: Khadejah El-Hallak, Muzda Fadil Waheb and Ali Al-Modhefer.
- Congratulations to Bethany Pike who received a Band 6 in the 2014 HSC Music Course.
- Well done to Bilal El – Arab and Wesley Latukefu as standout competitors in the Prospect Zone winning carnival.
- Congratulations to Jacinta Abou Hamid who has been chosen as a UN Women’s volunteer
- Congratulations to all our students who auditioned for a CAPA ensemble.

New teaching staff:

Welcome to the following new staff at Granville South Creative and Performing Arts High School:

- Mr Sam Abbas in English
- Ms Melinda Minns in TAS
- Mr Kevin Song in CAPA (temporary)
- Ms Cassie Wright in CAPA (temporary)
- Mr Ehab El-Hagge is replacing Ms Campbell who is on maternity leave

Welcome to the first edition of our newsletter for this year.

Granville South Creative and Performing Arts High School is a very active community. We provide a range of educational experiences to cater for diverse student needs and talents. This includes ensemble and performance opportunities for students in the selective stream, sport and welfare or skill development programs.

In this newsletter I would like to acknowledge the support we get from a number of organisations in the community who assist in providing a range of welfare and career development projects. Without their contribution we would not be able to offer the range of opportunities we do.

On Thursday 19th February I had the pleasure of attending the 2015 ZEST Awards Ceremony at the ANZ Stadium, Olympic Park. The Community Migrant Resource Centre had entered a number of their projects in several categories, including a joint project with Granville South Creative and Performing Arts High School. They have been very supportive of our school. The project entered for our school was in the category ‘Exceptional Project within a Not for Profit Organisation’. It was delivered at school and involved a youth mentoring program and breakfast club. I am very pleased to congratulate the CMRC in getting a highly commended for this project. We look forward to their continuing work with our school this year.

JP Morgan is a world-wide financial services firm whose Sydney office have been supporting our school for many years. They run programs for our school through ABCN (Australian Business and Community Network). JP Morgan will be working with students in years 10 and 11 this year. The students have been briefed on these projects and those interested need to complete an application form and give to their year advisor, Ms Rita Azzi (Year 10)/Mr Marcos (Year 11). Girls in year 10 are being offered a mentoring and leadership development project and year 11 students a mentoring and future career planning project. The projects we have conducted in the past with JP Morgan have always been very successful and we hope that all of our students will take the time to apply for these programs.

We currently have 5 year 10 girls participating in the Helmsman project. This project combines coaching and outdoor adventure, specifically sailing. Our first group of 5 year 9 boys completed this project last year and presented their experiences at a celebration presentation in Darling Harbour Maritime Museum with Mr Ross McLean. I am looking forward to hearing from the girls and Ms Anastasia Tsaloukas when they share their journeys later this year. This is a very exciting and rewarding project and we are expecting current year 9 boys and girls to participate in 2015.

Fortunately this year we will still be offering programs delivered by Creating Chances and
Granville Multicultural Community Centre (GMCC), through successful application for Links to Learning funding. Football United’s Creating Chances is an inspirational life skills program for youth that combines a mix of practical youth empowerment programs with fun football activities. GMCC provides a range of activities including those that help develop skills, self-esteem, career planning and provide opportunity to participate in activities including educational programs off site.

We also have a number of partnerships with universities, including UWS and UNSW and TAFE, particularly Granville TAFE, where students can participate in programs to learn about university life, career planning and participate in educational programs to develop skills and knowledge in a wide range of areas.

All of these programs aim to engage our students and assist them to aspire for their best. Education is a significant determinant in empowering young adults with choice and long term financial security. I encourage all our students to make the most of the opportunities provided to them at Granville South Creative and Performing Arts High School, and thank parents for their ongoing support.

Melissa Johnston
Principal

South News — As from 2015 the newsletter will be available for download from the school website: http://www.granvilles-h.schools.nsw.edu.au/sws/view/145363.node
In keeping our school an eco-friendly and sustainable environment, the school will be emailing from term 1-2015, important information to all families.
It is most important that we have your email address to ensure you receive the information. Your email address is to be included when updating your student/family details.

Current student/family details and any medical conditions
It is most important that the school has current contact details for your child, including the emergency contact name and number. The school requires, phone numbers for both parents/carers, including mobile phone numbers, email addresses and correct home address. Contact the office immediately with any changes.

If you have a child with a medical condition and have not yet notified the school or completed a health care plan, please do so as a matter of urgency. A health care plan, signed by the child’s doctor is essential. Health care plans are available from the office.

Attached you will find a ‘Student / Family Details’ form. We are asking that all parents/carers complete this form, whether changes have been made or not, and return the form to A Block office as a matter of urgency to enable all records to be updated.
**Payment of fees / excursions / purchasing items**

All payments to the school should be made in A Block office before school, during recess or lunch. A receipt is issued for all monies paid. Correct money would be appreciated as we do not hold cash on the school premises. A reminder that all subject fees should be paid early this term. To assist families, fees may be paid in instalments.

We would appreciate your support in the above matters. If you have any questions please call the school during office hours (8.00am – 3.45pm) on 9892 2654.

*Mrs S Grinyer*

School Administrative Manager / Business Manager

---

**CLO REPORT**

On Monday 2nd March the Parent community group held a welcome morning tea. During this morning tea parents were introduced to members of the school community. Thank you to all the parents and members of the school community who were able to join us. We look forward to many more parent gatherings throughout the year.

The first P and C Meeting of the year will be held on Wednesday 18th March at 5:30pm in A2. All parents are welcome to attend the meeting.

*Ms Jouni*

Community Liaison Officer

---

**SYDNEY TO SURFER BIKE RIDE**

This year our Science Head Teacher, Mr Anthony Azzopardi will be partaking in the Sydney to Surfers bike ride to raise funds for Father Chris Riley’s Youth Off The Streets charity. He will be riding for seven days, approximately 120km each day.

Youth off the Streets supports chronically homeless and drug addicted young Australians as they work to turn their lives around.

We will be keeping the community informed on Mr Azzopardi’s ride and fundraising efforts through our school Facebook site. There will be more information published soon on how to donate later in the term. For more information on the ride visit: [http://www.sydneytosurfers.org.au/](http://www.sydneytosurfers.org.au/).

We wish Mr Azzopardi well on his ride.

INFORMATION SUPPLIED BY    _____   DATE    _____
The 2015 Annual swimming carnival was held on Tuesday the 24th of February. With the threat of rain looming around Sydney that day a good turn up arrived for what was again a fun filled event with plenty of competition and laughs. Students were given the opportunity to meet at the venue for the first time, and as this was a success it will again be offered for the School Athletics Carnival later on in Term 2. Congratulations must go to all the competitors and race winners for the day for their excellent effort and competitive spirit and also Mr Garrido for the organisation of a successful carnival.

The Zone swimming carnival was held two days later on Thursday the 26th of February with a number of competitors turning up from a range of different year groups. Well done to Bilal El – Arab and Wesley Latukefu as standout competitors in the Prospect Zone winning their races against students from 8 other schools in the zone.

Mr Farthing

HT PDHPE
ENGLISH FACULTY

The English Faculty has experienced a change in staff for 2015.

We have welcomed Mr Sam Abbas to the faculty and farewelled Miss Alicia O’Donnell.

For the first time, the English Faculty has offered the course English Studies to Years 11 and 12. This is a non ATAR course. It has proven popular with students who do not wish to further their studies at university. We continue to run the Advanced, Standard and ESL Stage 6 English courses.

Reading is a fundamental skill required by all of us to be successful in life. As such I personally encourage you to ensure that your children are reading every night for at least 30 minutes.

Mrs MacDonald-Brown
Head Teacher English

SCIENCE FACULTY

A day at the UNSW Museum of Human Diseases

Year 12 Biology and Senior Science students enjoyed a hands-on, clinical experience at the museum examining human specimens of different types of diseases. The students were in awe when discovering that the lifestyle choices that we make, for example, unhealthy diets, smoking and alcohol abuse can severely impact on our body systems. Students were excited to have gained useful information that they could apply in their daily life and inform their family and friends.

Lisa Nguyen
Science Teacher

Year 6 Open Day

Wednesday 11th March 2015
PDHPE FACULTY

Grade & Recreational Sport

2015 was shaping up to be a momentous year for Sport and the PDHPE faculty at the end of 2014. With the anticipated re-entry into the grade sport competition and also the opportunity for students to participate in a range of recreational activities saw students in year 7 and 8 and a select few from year 9 trialling for a number of competitive sport teams including AFL, Basketball and Touch Football and signing up for Recreational activities such as Snooker, Lawn Bowls and Walking to the local parks.

It has been a successful start with the competition kicking off in week three. We were able to field all junior teams and the Rec Sport groups had a laugh and enjoyed the leisurely activities which was highlighted by one of our year 8 students, Ian Norman, receiving a standing ovation from the patrons at Guildford Lawn Bowls Club for his precise and entertaining bowling.

Good luck to our teams for the rest of the competition in grade sport which will continue into term 2 and term 3 and a special thanks to 8 Ball Billiards Parlour on Woodville Road as well as Guildford Bowling Club for hosting our students on a regular basis.

Knockout Sport

It has also been a busy start to the year for the NSW knockout sport competition with Open Girls Volleyball and Zone tennis competitions taking place. Unfortunately the Open Girls Volleyball team went down in a hard fought 5 set match against James Ruse High. Thanks to Ms Kontra the coach for getting the girls ready for battle.

February also saw one of our Yr 9 students Monika Vesse compete in the Zone Tennis Gala day. This is the first time in a while we have entered this event and Congratulations must go to Monika for winning the gala day and as a result has been selected as the U/15’s Prospect Zone representative to compete in the Regional Tennis gala day later on in the term. Well done Monika.

There are upcoming competitions for Ms Zahra’s open girls Softball, Mr Bizan’s Open girls Basketball, Mr Garrido’s open girls soccer and the students competing in the NSW combined High School Lawn Bowls gala day. Good Luck to all. Thanks also go to Mrs Kontrafouris for the organisation of the knockout sport competition which has seen a record number of sports being entered in for 2015.

School Gym

The new and revamped school gym has opened!!!

It has been a number of years in the making with the recovering of commercial strength machines, donations for Workout World in Auburn and financial commitment from our previous Principal
Mr Finn and ongoing support from Mr Price and current Principal Mrs Johnston. The coordination of it all has been led by Mr Marcos who has persisted and spent a lot of time putting the pieces together to create what is now a fully resourced and functional gym which is currently used during lunchtimes. Gym memberships are available for students starting at $2.00 for a casual entry, $15.00 for a term pass and $20.00 for a yearly pass.

Thanks to the PDHPE faculty members Mr Garrido, Mrs Kontrafouris, Ms Lombardo, Mr Marcos and Ms Rama for their hard work in getting all these events and competitions running early on in the piece in 2015.

Well done to students for their enthusiastic start to 2015 in the sporting arena and let’s continue to compete and enjoy sport for the rest of the 2015.

Mr Farthing
HT PDHPE

CAPA FACULTY

It has been a very busy start to the year for the CAPA faculty with staff and students planning and preparing for many upcoming events and performance opportunities in 2015. The first few weeks allowed for many new enrolments and year 7 students to audition for our various ensembles: Circus, Dance, Drama, Music and Visual Arts. The ensembles have been growing in numbers and strengthening in ability in the last few years. The year 7 CAPA class is larger than ever and we wish those students a successful journey with their ensemble classes.

2015 also kicks off our first ever HSC Dance class at Granville South CAPA High School. Miss Cameron was extremely impressed with the students and their results in the Preliminary Dance Course, and is looking forward to another fun filled year of hard work and continuous improvements. The class, along with some of the junior dance students, attended the Callback excursion at the Seymour Centre in February. Callback is an annual performance which displays the exemplary works from the 2014 HSC Dance and allows the 2015 students to better understand what exactly is expected of them in the practical examinations.

Ms Cameron R/L HT CAPA
SUPPORT FACULTY

The Support Unit started off the term to a great start. We welcomed our Year 7 students to the Unit. They have settled in extremely well; establishing new friendships and enjoying the transition into high school.

Community Access days have been thoroughly enjoyed by our junior students every second Friday. Community Access days provide our junior students with the opportunity to learn essential skills in both travelling and etiquette in our local community. Preparing our students for independent travel to work experience placements in their senior years.

This year saw our senior students being introduced to VET courses in TAFE. Both our year 11 and year 12 students have been attending courses in retail and beauty once a week at TAFE.

Work Experience is once again being offered to our year 10, 11 and 12 students.

For the first time our year 9 students have been given the opportunity to participate in our work experience program. Our year 9 students participate in the work experience program on a fortnightly basis when they are scheduled for their Community Access Day.

In keeping up with the Support Unit tradition, the school ran its annual Social evening.

Our Social Evening is an event which invites both students and their parents to an evening which celebrates the past achievements of the previous year. This provides parents with the opportunity to network with each other; forming friendships within the local school community.

Our Social evening this year also showcased the musical talents of some of our students; performing a drum recital for the parents.

This term also saw the election of a new Support Unit sports captain. Having been introduced to the Support Unit in 2014, the role is offered to a senior student in years 11 and 12 whom possesses the qualities of being both a good leader and good role model to the junior students in the Support Unit.

This year the title of Support Unit Sports Captain was given to Chaymaa Malas in S4. Also a special mention to Eric Diaz and Othman Al-Rashid who also presented great speeches at the Election Assembly. Well Done!

HELMSMAN PROJECT

At last...

Good things come to those who... persevere!

We are extremely excited to release our very first annual report.

If you flick through the online edition, you will learn about our people, the contributions made by our amazing volunteers, our programs, our achievements to date and much more. Make sure you also head to pages 18 & 19 to read about our ambassador Ehsan and his inspiring story.

As always, feel free to share these news with colleagues, friends and family. You can also find all the latest updates on Facebook, LinkedIn, Twitter and YouTube.

If you have any questions or would like to share comments with us, don't hesitate to get in touch. We'd love to hear from you.

Happy reading!

The Helmsman Project team

The following Year 10 Girls are taking part in The Helmsman Project this semester. We wish them well!

Allanah Macatangay, Iasinitia Fangupo
Shahinaz El Dirani, Sandra El Dirani, Emma Roulsten

TELL THEM FROM ME STUDENT SURVEY

This term, our school, like many others in the state, will participate in a Department of Education and Communities initiative: the Tell Them From Me student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the Tell Them From Me survey to help improve how they do things at school.

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours during Week 9.

Notes regarding the survey were sent home last week. If you do not want your child or children to participate, please collect a form from the front office by Friday 13th March.
SCREDTUE NOTICE

PLEASE RETURN TO THE FRONT OFFICE OR MS ISSA ASAP. (A paper copy will be distributed to students in the coming weeks, alternatively print off this page and return it)

Granville South Creative and Performing Arts High School has had scripture providers for Muslim and Christian over a number of years. The providers have met with students during lesson time, lunch times and in whole day workshops.

We are currently considering these various options and others for provision of scripture. If we have enough interest and are able to source provision of scripture for other religions we will attempt to do this as well. We need all parents who want their children to attend scripture to return the following information and answer every question to inform our decision making:

Student Name.............................................................................................................. Year ..................................

Student Name.............................................................................................................. Year ..................................

Student Name.............................................................................................................. Year ..................................

Student Name.............................................................................................................. Year ..................................

Religion........................................................................................................................................................................

Please circle:

I want / do not want my child/children to attend scripture during lesson time

signed (parent) ........................................................

I want / do not want my child/children to attend scripture during Thursday period 6 (early finish day from 

.......... to .............)

signed (parent) ....................................................

I want / do not want my child/children to attend scripture during lunch time

signed (parent) ........................................................

I want / do not want my child/children to attend scripture as a whole day workshop

signed (parent) ........................................................

Parent Name ........................................................................

Parent Signature .......................................................... Date ..........................................

APPLY NOW

http://www.htn.com.au
HTN, Australia’s leading group employer of hospitality and food service apprentices, is now taking enrolments for its new Aspire program.

- An intensive, eight week preparatory program to develop culinary skills.
- Developed after extensive consultation across the hospitality, training and education sectors.
- A mix of world-class teaching and on-the job learning.
- Fully accredited training through William Angliss Institute.
- Masterclasses and workshops with leading chefs.
- Access to training resources and hundreds of skills videos through HTN Online.
- A portal where participants can develop their résumés and showcase their skills and work.
- On completion, the offer of a full apprenticeship in a leading kitchen.

To learn more about ASPIRE, go to www.htn.com.au/aspire or call us on 1300 139 108 (toll free).

Get your career as a chef off to a great start!

HTN is a not-for-profit group training organisation, and the leader in hospitality training and employment. It has been operating since 1987 and currently employs apprentice chefs and hospitality trainees across NSW and the ACT.
