Reminders:

- Year 12 Graduation Wednesday 16th September
- Year 12 Formal Thursday 17th September
- Last day of term Friday 18th September
- First day of Term 4 Tuesday 6th October
- Year 7 Examinations begin Monday 19th October
- Year 8 and 9 Examinations begin Monday 26th October
- Vaccinations Wednesday 28th October

Student Achievements:

- Congratulations to all students who performed at Higher Love Performance Night at Parramatta Riverside Theatre
- Congratulations to all Year 12 students who are graduating this term
- To all of the students who were voted to become a SRC representative.

Thank you:

- Thank you to Ms Nguyen from the Science Faculty. She has accepted a position as HT Science at Strathfield South High School

Front page photos: Thank you to Ms Husic. Performers from Performance Night
Term 3 has been very eventful and I would like to thank staff, students, parents and our community partners for their commitment to success at Granville South.

We have had students attending a variety of excursions and events at school, including science week and Education Week. Education week included parent teacher interviews, subject selection and academic awards presentation assembly. Congratulations to all award recipients. I trust they are continuing to improve in their academic pursuits.

Our Creative and Performing Arts students have been very busy, with events this term including performance in the Ultimo Drama Festival, ensemble student visits to Granville South Public School to run CAPA programs, HSC showcase evening, Riverside Theatre performance evening, a Matinee Performance, and HSC practical examinations.

HSC dance and music performed in a CAPA showcase evening enabled us to see their amazing talent. I would like to particularly note the development of our dance students, with 2015 being the first year of HSC dance for GSCAPAHS. Students have developed amazing confidence and skill in their performance. We look forward to their HSC results in December.

Staff, students and families who attended our annual Riverside Theatre Performance enjoyed a very entertaining evening with talented students in dance, music, drama, visual arts and circus. The quality of our creative and performing arts selective stream is continually improving, due to the dedication of our staff and commitment of our students.

Our students also performed to a very enthusiastic and excited audience of local primary students and staff from Blaxcell Street and Granville South Public Schools in the matinee performance held in our school hall.

The Skin to Skin art competition was finalised in week 9. This event was sponsored by one of our community partners, CMRC - Community Migrant Resource Centre, aiming to raise awareness of organ and tissue donation. Students in years 7-12, from our mainstream and support unit entered in art, digital and written categories. We were pleased to welcome CMRC staff and special guest, Aboriginal Artist Adam Hill - ‘Blak Douglas' - 2015 Archibald finalist.
Our I-Connect project for term 3 has involved training and preparation of students and parents to create digital stories and performance. Thanks to all involved. We look forward to the development of this project throughout term 4.

Term 3 concludes with our induction of new SRC, senior prefects and school captains and vice captains, year 12 graduation and year 12 formal. We wish our year 12 students the best for their HSC exams in term 4.

Happy and healthy holidays to all. We look forward to a successful term 4.
Parents, please join us in week 9 term 4 for our final P and C meeting and end of year BBQ.

Mrs Johnston  
Principal
Purchase and delivery of food during the school day

It has come to my attention that a small number of students are eating food from local businesses purchased through the school day and also arranging delivery of food to the school, including the perimeter fencing.

This is considered a breach of our schools code of conduct, and as such will be managed following our school discipline and behaviour management processes.

We have a duty of care for the safety, security and well-being of our students.

If students want to bring their own food to school then it must be from home or purchased out of school hours and packed appropriately in their bags for consumption at appropriate times through the school day.

In 2015 Granville South Creative and Performing Arts High School entered into an agreement with a new canteen operator. Feedback has been very positive. They offer a range of foods before school, at recess and lunch.

Part of the contract with the canteen operator is that they must be informed in advance if students are absent on an excursion, or if food is being provided for an event. Teachers at times may arrange food for special events such as excursions, incursions or celebrations and at these times the food delivery or purchase will be arranged by the teacher with prior approval from executive staff and notification to the school canteen.

We appreciate your support in this matter. If you would like to discuss this further, please contact the school to arrange a meeting with the relevant deputy principal.

Regards,

Mrs Melissa Johnston
Principal Granville South Creative and Performing Arts High School
Scripture and Prayer Groups

Granville South Creative and Performing Arts High School has volunteer scripture providers running Christian and Muslim scripture sessions to students during the school day.

We also have a number of students who have prayer at lunch times in classrooms. These classrooms are opened up by teachers specifically for prayer. In some cases teachers are in the classroom with the students whilst they are praying. Some classrooms are opened for students only. Prayer groups may also be run by our scripture providers.

Students who wish to attend scripture sessions during the school day and/or prayer at lunch times in classrooms must have returned this parent/guardian signed permission note to the front office.

Scripture and Prayer Group Parent/Guardian Permission

I give permission for the following students to attend scripture delivered by scripture providers during the school day:

Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12

I give permission for the following students to attend prayer groups during lunch times:

Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12
Year (please circle)  7   8   9   10   11   12

Religion

This permission will be for the full time of enrolment at Granville South Creative and Performing Arts High School. I understand that if I no longer want my child/ward to attend scripture and/or prayer groups that I need to notify the school in writing.

Parent/Guardian Name ……………………………………………………………………………………………… Date ……………………………

Signed ……………………………………………………………………………………………………………………..

THIS FORM MUST BE RETURNED TO THE FRONT OFFICE BEFORE PARTICIPATION IN PRAYER GROUPS AND/OR SCRIPTURE

On Wednesday 9th September Deren Sen, Emma Roulston and Irish Saising attended "IDEATION 2015" young leaders conference at the Powerhouse Museum, Sydney.

Students worked together with other schools and voiced their perspectives and opinions on what living in a culturally diverse community means, generated ideas to address the many challenges of living in our society and developed methods to unite communities.

Ms Rama
SRC Coordinator
Granville South Creative and Performing Arts High School is celebrating its 50th Anniversary in 2016. To mark this occasion the school is holding an Open Day and Celebratory Dinner. Both will be held from the last week of August 2016 to the end of the first week of July 2016, during education week. This will show the highlights of the school, past students and teachers and the various milestones the school has achieved over its 50 years.

Our school logo has undergone a new design to commemorate the anniversary. This logo can be seen on the School noticeboard out the front of the school and also found on our special Facebook page where you can be kept up-to-date with information and memories leading up to the 50th Anniversary celebrations.

Granville South High School first opened in January 1966 with the first Principal being Mr Frank Taylor, with an enrolment size of 300 students. He remained Principal until 1970 when he decided to retire and within those first 4 years he watched it grow to approximately 850 students.

When the school first opened, the front of the school did not have any gardens but during 1967 the front garden was designed and planted by students who collected money to buy the roses. During their free time the students could be found caring for the roses and weeding the garden.

On the 9th December 1969 the fourth annual speech night was held in the school canteen. This night included a range of events including performances from the school choir, reports on the school’s activities and awards being given to students for academic and sporting achievements. The School Certificate results in 1969 were the first year they were held at the school and we achieved good results all round.

1970 showcased the ability of the students to perform with the musical comedy “The Pajama Game”. This performance was held on Monday the 3rd and Wednesday the 5th of August at 8pm, the tickets sold for 80 cents for adults and 40 cents for children with tickets selling out in advance. A four piece orchestra played whilst all parts in the play were played by Granville South High School students. The show was a huge success with many wishing to view the show again and everyone looking forward to future performances. Both the P&C president, Mr Moore, and the Inspector of Schools, C. MacDonald, wrote to the school with high praise about the performance.
CLO Report – Graduation of the Childcare Diploma Course and Food Handling Course – Thank you to everyone!
CAPA Faculty

In Week 2 our Drama Ensemble performed at the Ultimo Drama Festival held at the National Institute of Dramatic Arts (NIDA). Presenting their Playbuilt piece, The Nursing Home, our Drama Ensemble transformed into old-aged pensioners as they looked at the trials and tribulations faced when living at Misty Meadows. Yoga, bingo, and speed dating were all a part of the tour of this aged-care facility.

These students were then treated to an excursion to a performance of Seventeen, a cast of six acting legends of Australian theatre, Peter Carroll, Maggie Dence, John Gaden, Genevieve Lemon, Barry Otto, and Anna Volska, performing a play written specially to make these legends seventeen again. Our students enjoyed the performance and identifying the links between Seventeen and their own piece, The Nursing Home.

During Education Week, the CAPA Faculty held our annual HSC Performance Showcase to celebrate the talents and achievements of our Year 12 CAPA cohort. Presenting selections from their major works, our Dance and Music students performed at their best for an audience of friends and family. This event was a great “warm-up” to the real thing, and we can now congratulate all Year 12 Dance and

Music students on completing their Higher School Certificate Performance Examinations, as well as our Year 12 Visual Artists who have submitted their Bodies of Work for marking.

These Year 12 CAPA students must now focus all their efforts on the Higher School Certificate Written Examinations.

Tuesday 13th October: Music Aural Skills Examination
Wednesday 14th October: Dance Core & Major Study Appreciation Examinations
Monday 26th October: VET Entertainment Written Examination
Wednesday 4th November: Visual Arts Written Examination
This term, our Visual Arts Ensemble students were invited to a private viewing and tour of this year’s Archibald Prize. Ms Husic and Ms Wright then took these students to the State Library. This excursion was a fantastic opportunity for our Ensemble students to compare their recent portraiture work with those of professional artists.

Our Visual Arts Ensemble have also been hard at work on their Skin2Skin competition entries. Exploring Claymation, these students have created talking hearts, lungs, eyes, etc. to outline the positive impact organ donation has on the lives of people in our community.

During Week 6 we presented Higher Love, our annual Performance Showcase at Parramatta’s Riverside Theatre. As the highlight of our CAPA Faculty Performance Calendar we were treated to an array of our standing performances and visual presentations. Each
year our Performance Showcase is our opportunity to celebrate the outstanding and diverse talents of our skilled actors, circus troupe, dancers, musicians, photographers, visual artists, and VET Entertainment students and this year was no exception.

Higher Love was then presented a week later at our School’s Matinee. Hosting a total of 450 students from Granville South Public School, Blaxcell Street Public School and with an invitation also extended to our Support Unit, our showcase was incredibly well received by this diverse audience.

Each of our Ensemble students performed with pride, enthusiasm, and the joy was evident on each of their faces. It was wonderful to witness our Ensemble students “step up” during each of their performances and do what they do best! Presentations such as these are an incredible experience for all involved and I hope that all of our performers are able to look back on this experience and recognise it for the outstanding achievement that it truly was.

On behalf of all ensemble students I’d like to acknowledge the hard work of our wonderful ensemble teachers for their efforts in preparing the items presented at our Higher Love showcases. Thank you Ms Cameron, Mr Chai, Ms Husic, Ms King, Ms Kontrafouris, Ms Polota-Nau, and Mr Woollams. Each of these teachers has gone ’above and beyond' to prepare their ensembles and the results were truly outstanding.

Mrs Collins
Head Teacher CAPA

Thank you to all the students, staff and audience members who made last night's Higher Love performance a huge success! Amazing job all the performers. A special mention to the CAPA Faculty and the Head Teacher Mrs Collins for all their hard work.
A big thank you to Ms Collins, Ms Minns and Mrs Murdoch for their time and hard work in organising and running this event.

The standard was extremely high and the panel of judges had great difficulty in selecting the winners. Congratulations to all the students that entered for their great effort. The winners are:

**First Place:** Amanda Charrouf Year 11 – Skittles Rainbow

**Encouragement:** Maysaa Hamdoun Year 12 – Hot Air Balloon

**Second Place:** Sabrine Hasna Year 10 – Umbrella

**Encouragement:** Margaret Langi Year 9 – Education Week Book

**Third Place:** Fatime Hasna Year 11 – Wafer Variety

**Encouragement:** Luisa Langi Year 10 – Apple
**PDHPE Faculty**

Three of our students Brodie Dillon and Alannah macatangy (who was unable to make it) and Iasinita Fangupo were again invited to participate in the 2015 NRL’s harmony ambassadors conference held at Parramatta Leagues.

The students were involved in cultural celebrations, participated in leadership workshops and mingled with ex NRL stars, Alan Tounge formerly with the Canberra Raiders and now works with the NRL in spreading the message of domestic violence and its consequences and Joe Gavalo formerly with the Penrith Panthers and Parramatta Eels, who now works with the NRL in promoting awareness of anti bullying and spreading the message of being a leader.

Our girls also met with the, Race Discrimination Commissioner, Dr Tim Soutphommasane who spoke to them about promoting harmony. Congratulations to our girls who were selected as ambassadors and well done to Brodie who gave a brilliant interview to channel 7.

Mr Marcos

**Woolworths Earn & Learn program**

Our Support Unit at school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so if you have any Earn & Learn stickers or Sticker Sheets at home could you send them into school, the more we collect, the more equipment we can claim. Thank you all for your support.

Mrs Tookey
BYOD

All students are reminded to bring in their completed Bring Your Own Device Forms (BYOD). Forms are available from roll call teachers, the front office or Mrs King. All forms should be returned to Mrs King in the Learning and Support staffroom. Please ensure that before a form is submitted that all of the details have been filled in completely. Both the student and the parent are to have signed the agreement.

Mind Marathon

Selected students from Year 7 entered the Mind Marathon competition hosted by East Hills Boys High School. The competition aimed at bringing gifted and talented students together for what is essentially a series of tests, executed in a game show type of atmosphere. Macy El-Ahmad, Hassna Dib, Jessyka Cameron, Stephanie Vella and Mariam El-Kassab worked vigourously to answer questions on the topics of Maths, Science, English and HSIE during the 4 x 40 minute sessions.

The girls collaborate as a team and supported each other throughout the day and never once gave up, even though the questions were challenging. Not disheartened by their defeat, they vowed to enter the competition again the following year to showcase their improvement.

Miss Lisa Nguyen

P and C Report

The last P & C meeting for the year will be held on Tuesday 1 December, 2015. We will end the meeting with a celebration to thank you all for your support this year. Please come along and join us.
Irish Sassing, Khaled Refahi and Karim Jebara took part in the Aspire Connect Program run by the University of New South Wales.

The three day program aimed at promoting these students as Ambassadors of UNSW team and enlighten pathways and their horizon. UNSW achieved this in a novel and noble manner by taking students on a tour to ALLIANZ Stadium and the SCG, where the students set foot on the world famous turf. They also had access to significant heritage items and rooms of historical significance. They experienced being part of the audience of the media room where experts with multiple skills in the industry heralded the students into the arena encompassing diverse fields and advised on other subjects of interest.

This educational and entertaining tour was subdivided into Medicine, Law, Economics, and Sport among others where students had individual experts creating sensation in their young minds about career choices and personality development’.

Each individual is unique’, this was further highlighted and elaborated upon by the MBTI [Myers Briggs Type Indicator]. By the end of the session students discovered their personality, one of the sixteen kinds which they belonged to. Students who are expert procrastinators were waking up to appreciate the marvels of 21ST century in the areas of Medicine, Law, Engineering, Fashion Design and Technology.

At various venues the student’s morale was raised where the whole work industry was just a phone call away. Students with medical interest visited hospitals, touring the imaging section and orthotics and realised how braces could support any part of the body. They were exposed to the latest technology taking 3DXRAYS in 8 minutes which saved 80 hours of work in a normal routine. The staff was inspirational and highly informative.

Lastly the session on student’s life and learning study skills highlighted that self-care is all about ‘wellness, ‘healthy balance’, ‘resilience’ and mental health.

Aspire Ambassadors of UNSW boasted about the Subway food outlet on the campus too!

We at GSCAPAHS appreciate the UNSW endeavour in putting together a great program for our Year 10s and helping in keeping their bright future spirit alive. ‘May the Ambassadors grow!’

I thank Ms. Betty Kehagias for opening this window of knowledge to our Year 10’s world.

S.T. Hussain,
Learning and Support Team
